

Sorry our speed skating season had to come to such an abrupt end. The Milton Speed Skating Club hopes everyone is staying safe and maintaining distance. Like everyone we have had to make some adjustments to our year end activities.

Due to the shortened season MSSC would like to offer all currently registered skaters 10% off the 2020-2021 full season membership & skate rental fees. (Roughly \$44 for 1 hour skaters, \$68 for 2 hour skaters and \$92 for 3 hour skaters).

Equipment Return

This year we ask you to **return your gear to us directly** at: **899 Maxted Cres, Milton, ON**

We have bins and sanitization setup in our garage. **Prior to drop off please use masking tape to label your skates with your skater's name.**

The garage door will be open for drop off from about 8am to 9pm daily until April 27th (our AGM).

Summer Skate Rentals

If you do not return your equipment by April 27th, we will assume you are keeping it for the summer and **you will be charged the summer skate rental fee on your September registration.**

Pre-Registration

We will **accept pre-registration up until April 27th.**

Please **drop off the \$80 payment** (for a \$100 credit on next season's fees) **in our mailbox in our porch at: 899 Maxted Cres.**

This will be applied after the COVID discounted registration.

Skater's Choice Award

If your skater did not have a chance to vote for the "Skater's Choice Award", please access this link <https://survey.zohopublic.com/zs/QeCNDP> to do so online. Deadline is April 27th.

Please only vote online if you did NOT complete a paper ballot in March.

Thank You!

OSSA Awards:

The Ontario Speed Skating Association (OSSA) is looking for nominees for our provincial organization's annual awards. For more information about the awards, visit the OSSA website.

If you wish to nominate someone, please contact Jay at vp@miltonspeedskating.com

Year End Banquet

The planned April 16th event has been cancelled.

We will kick off our 17th season with a Welcome Back Banquet and celebrate the 2019-2020 achievements then.

This is likely to be a Saturday evening in September.

AGM

We will hold our AGM **via Cisco WebEx** on April 27th at 7pm.

This is your chance to provide input and direction to the club overall.

You will receive a calendar invite with the following details.
